IGCC®/IGMA® Approved Testing  
Laboratory*

This is to acknowledge that as of this date

**Element Materials  
Technology Canada Inc.  
Mississauga, Ontario**

Has met all guidelines and requirements for acceptance as an approved testing laboratory. Approval is based upon an audit completed on March 2, 2021.

This approval is for testing services in compliance with the following standard(s) and/or specifications:

ASTM E2190 – Standard Specification for Insulating Glass Unit Performance and Evaluation

Approval as an IGCC®/IGMA® Testing Laboratory is subject to regular re-auditing and continued compliance with program requirements and procedures. Laboratory approval is current and in full effect as of the 28<sup>th</sup> day of July 2021.

Please check current IGCC®/IGMA® Certified Products Directory or IGCC® website at [www.igcc.org](http://www.igcc.org) for current information.
