

Deutsche Akkreditierungsstelle GmbH

Entrusted according to Section 8 subsection 1 AkkStelleG in connection with Section 1 subsection 1 AkkStelleGBV

Signatory to the Multilateral Agreements of EA, ILAC and IAF for Mutual Recognition

Accreditation

The Deutsche Akkreditierungsstelle GmbH attests that the testing laboratory

**Element Materials Technology Hamburg GmbH
Tempowerking 11, 21079 Hamburg**

mit ihren Standorten

**Tempowerking 11, 21079 Hamburg
Lahnstraße 26, 45478 Mülheim a. d. Ruhr
Siemensstraße 17, 73733 Esslingen**

is competent under the terms of DIN EN ISO/IEC 17025:2018 to carry out tests in the following fields:

Mechanical and metallographic testing; selected corrosion tests and chemical testing using stationary and mobile vacuum-emissions spectrometers as well as manual non-destructive tests (ultrasonic testing, magnet particle testing, penetrant testing, visual testing and digital radiography) on metallic materials

The accreditation certificate shall only apply in connection with the notice of accreditation of 14.07.2020 with the accreditation number D-PL-11166-01. It comprises the cover sheet, the reverse side of the cover sheet and the following annex with a total of 13 pages.

Registration number of the certificate: **D-PL-11166-01-00**

Frankfurt am Main,
14.07.2020

Dipl.-Ing. (FH) Ralf Egner
Head of Division

Translation issued:
14.07.2020

Head of Division

*The certificate together with its annex reflects the status at the time of the date of issue. The current status of the scope of accreditation can be found in the database of accredited bodies of Deutsche Akkreditierungsstelle GmbH.
<https://www.dakks.de/en/content/accredited-bodies-dakks>*

Deutsche Akkreditierungsstelle GmbH

Office Berlin
Spittelmarkt 10
10117 Berlin

Office Frankfurt am Main
Europa-Allee 52
60327 Frankfurt am Main

Office Braunschweig
Bundesallee 100
38116 Braunschweig

The publication of extracts of the accreditation certificate is subject to the prior written approval by Deutsche Akkreditierungsstelle GmbH (DAkkS). Exempted is the unchanged form of separate disseminations of the cover sheet by the conformity assessment body mentioned overleaf.

No impression shall be made that the accreditation also extends to fields beyond the scope of accreditation attested by DAkkS.

The accreditation was granted pursuant to the Act on the Accreditation Body (AkkStelleG) of 31 July 2009 (Federal Law Gazette I p. 2625) and the Regulation (EC) No 765/2008 of the European Parliament and of the Council of 9 July 2008 setting out the requirements for accreditation and market surveillance relating to the marketing of products (Official Journal of the European Union L 218 of 9 July 2008, p. 30). DAkkS is a signatory to the Multilateral Agreements for Mutual Recognition of the European co-operation for Accreditation (EA), International Accreditation Forum (IAF) and International Laboratory Accreditation Cooperation (ILAC). The signatories to these agreements recognise each other's accreditations.

The up-to-date state of membership can be retrieved from the following websites:

EA: www.european-accreditation.org
ILAC: www.ilac.org
IAF: www.iaf.nu

Deutsche Akkreditierungsstelle GmbH

Annex to the Accreditation Certificate D-PL-11166-01-00 according to DIN EN ISO/IEC 17025:2018

Valid from: 14.07.2020

Date of issue: 14.07.2020

Holder of certificate:

**Element Materials Technology Hamburg GmbH
Tempowerkring 11, 21079 Hamburg**

at the locations

**Tempowerkring 11, 21079 Hamburg
Lahnstraße 26, 45478 Mülheim a. d. Ruhr
Siemensstraße 17, 73733 Esslingen**

Tests in the fields:

Mechanical and metallographic testing; selected corrosion tests and chemical testing using stationary and mobile vacuum-emissions spectrometers as well as manual non-destructive tests (ultrasonic testing, magnet particle testing, penetrant testing, visual testing and digital radiography) on metallic materials

Within the scope of accreditation marked with *, the testing laboratory is permitted, without being required to inform and obtain prior approval from DAkkS, to use test standards or equivalent normative test procedures listed here with different issue dates.

The calibration laboratory maintains a current list of all test standards / equivalent normative test procedures within the flexible scope of accreditation.

The test methods are indicated with the following symbols for the locations in which they are conducted:

MH = Mülheim, ES = Esslingen-Mettingen, HH = Hamburg

This document is a translation. The definitive version is the original German annex to the accreditation certificate.

Abbreviations used: see last page

*The certificate together with its annex reflects the status at the time of the date of issue. The current status of the scope of accreditation can be found in the database of accredited bodies of Deutsche Akkreditierungsstelle GmbH.
