

## Ohio Board of Building Standards Recognized Conformity Assessment Bodies

**Revised: August 28, 2020**

*The following lists represent the Ohio recognized conformity assessment bodies created in accordance with the provisions of Section 114 of the Ohio Building Code (OBC) and the Residential Code of Ohio (RCO). The list is intended for use by certified building departments where the OBC and RCO require testing, inspection, labeling or grademarking of materials or assemblies. Where a certified building department receives reports from a laboratory or inspection agency or is required by this code to check for labeling or grademarking, the building department shall review this list to determine if the report, label or grademark is from one of the recognized accredited bodies listed herein by the Ohio Board of Building Standards .*

The conformity assessment bodies listed by category are recognized by the Board of Building Standards in accordance with Ohio Administrative Rule 4101:7-6-01, Criteria for Board Recognition of Accreditation Bodies, Conformity Assessment Bodies, And Industry Trade Association Certification Programs, effective July 1, 2014.

These lists are regularly updated for new and revised recognitions by the Board. Latest entrees of Recognition are underlined. These accredited bodies are also subject a triannual renewal with the next expiration date of **July 1, 2023**. Any new applications, renewals or changes in accreditation status and other informational changes, occurring prior to the expiration date shall be provided to the Board using application forms available on the Board's website at: [http://com.ohio.gov/documents/dico\\_210.pdf](http://com.ohio.gov/documents/dico_210.pdf)
