Subject: Placement on Southwest Research Institute Approved Supplier List (ASL)

Dear John Moylan:

We are pleased to inform you that Delsen Testing Laboratories, has met the requirements for placement on the Southwest Research Institute (SwRI®) Approved Supplier List (ASL) as a supplier of PWB coupon testing, effective June 20, 2013.

Placement on the ASL is reserved for suppliers of critical products and services that have met SwRI® requirements for supplier management systems and controls. We congratulate Delsen Testing Laboratories, for this achievement and look forward to seeing the results of your efforts in the quality of our products and services.

Because of their critical nature, SwRI® evaluates suppliers for retention on the ASL through periodic monitoring actions including annual reviews, quality and delivery rating evaluations, and triennial re-qualifications. We will be contacting your organization in the future as needed for completion of these activities.

Please extend our congratulations and appreciation to your employees, whose hard work has enabled your organization to meet our requirements for suppliers of critical products and services.

If you have any questions, you may contact me by email at chris.hobson@swri.org or by telephone at (210) 522-5838.

Sincerely,

Christopher Hobson, Manager
Institute Process Assessment
