

## Letter of Approval

The Notified Body  
Hartford Steam Boiler International GmbH (0871)  
herewith confirm that the

### Element Materials Technology US Facilities

are approved to perform material testing on products  
and/or weld-test coupons to support  
Hartford Steam Boiler International GmbH (HSBI)  
in fulfilling its tasks as a Notified Body in  
accordance with the requirements of the  
Pressure Equipment Directive PED 97/23/EC

The Test Laboratories which are covered by this approval are listed on the attached  
sheet (page 2 of this letter)

This approval is based on sampled visits to the above test laboratories (contractors)  
where their ability to perform the tests in accordance with the relevant standards  
determined in HSBI's order was verified. It is also based on the contractors maintaining a  
current quality system certified by a recognized certification body to ISO/IEC 17025.  
The contractors must notify HSBI should this certification be withdrawn or suspended.
