Subject: Energy & Process' Audit of 03/3 & 4/2021

Dear Mr. Hontz,

Thank you for allowing Energy & Process Corp to your facility for the subject audit. All areas checked were found satisfactory.

Element Newtown will be maintained on Energy & Process' approved vendor list for materials testing, inspection, and NDE for nuclear application.

Thank you for the courtesies shown to Mr. Highlands during the audit.

Sincerely,

Alan Bryant
