Re: Supplier Approval

Jennifer,

Your organization has been approved as a supplier to Gulfstream Aerospace Corporation (all sites). Gulfstream recognizes and appreciates your adherence to Gulfstream Supplier Quality Assurance Requirements and Aerospace Industry Standard Quality Management System Requirements as applicable. Please keep us apprised of any changes that may affect your organization.

APPROVAL SCOPE:

FUNCTION: 3.52 – Material Testing Laboratory
CATEGORY: 6.01 – TEST/LABS/NONDESTRUCTIVE TESTING

This approval supersedes previous Gulfstream approvals and will be maintained through periodic performance reviews. This approval of your organization is subject to revision as business arrangements mature.

Kindest regards,

Richard Shain
