This is to inform you that a **Desktop Audit**, SAR# **52627**, was **CLOSED** on **5/1/2025**.
This letter is being provided for your records.

No further action is required.

Finding / Description:

Special process review required per POL-1361 & PRO-3589 utilizing Nadcap accreditation and Teams Interview Thursday, February 20, 2025.

This SAR was generated to document a Non-Destructive Testing Nadcap Audit review in lieu of performing an onsite evaluation of the supplier's processing facility.

A TEAMS call was held on 2/20/25 to determine amount of Spirit work and Boeing work from Spirit PO holders for Manufacturing parts.

All Nadcap findings were reviewed by Spirit and agreed with the accepted Nadcap RCCA response with no product impact investigations.

Nadcap accreditation Status follows:

NonDestructive Testing NDT Audit 236176
18 Month Merit audit cycle
NCR 4 (Major - 1 Minor - 3) [Closed:4]
Next Audit 240342 4Q 2025
Current Cert Expires 28-February-2026

SAR 52627; Continued.

Spirit RB3070 approval:

MIL-STD-1875; Military Standard Ultrasonic Inspection, Requirements for Spirit/Raytheon program; limited to SM3 1B PN 2248212.

Spirit Audit cycle is set at Level 2, 12 Months from the date of this letter to review next Nadcap Audi cycle.

Sincerely,

A handwritten signature in black ink, appearing to read "John O. Sattler".
