Dear Sir or Madam,

Pursuant to your most recent submission, please find enclosed a revised Certificate of Registration, number I621, issued to Element Materials Technology Cleveland Inc. for the inspection, testing, and certificate of containers in accordance with CSA B339 entitled "*Cylinders, spheres, and tubes for the transportation of dangerous goods*". This Certificate of Registration supersedes any Certificate of Registration previously issued to this facility.

Please contact us at MOCRegister-RegistreContenant@tc.gc.ca should you have any questions or wish to request amendments to this registration. Please refer to your file number **ASD 4067-26-7-0062** in any correspondence related to this registration.

Sincerely,

Engineering Services
Regulatory Affairs Branch
Transportation of Dangerous Goods (TDG)

encl.

Certificate of Registration

Pursuant to its application on file with Transport Canada, to the *Transportation of Dangerous Goods Regulations*, and to Clause 25 of CSA Standard B339 entitled “*Cylinders, spheres, and tubes for the transportation of dangerous goods*”.

Element Materials Technology Cleveland Inc.
5405 E. Schaaf Road
Cleveland, OH 44131-1337
USA

is granted this Certificate of Registration as an Independent Inspector subject to the following conditions:

- 1) The inspection, testing, and certification shall be performed only in respect of new, reheat-treated, or rebuilt containers intended to comply with specifications TC-3ASM and TC-3EM in CSA Standard B339 or an Equivalency Certificate based on those specifications;
- 2) Certificates of Compliance and Test Reports and New Design Qualification Test Reports shall be signed by John O. Ratka or Kay Novak;
- 3) The independent inspector's registered mark is “  ”; and
- 4) Not later than twenty days after any change occurs in the information on file at Transport Canada supporting the independent inspector's registration, the independent inspector shall advise the Transport Dangerous Goods Directorate of any such change.

This Certificate of Registration may be suspended or revoked in the event of failure to comply with the above-mentioned conditions or with any applicable regulation.

Dated: 16 May 2023
Expiry Date: 01 December 2025

Certificate No.: **I62I**
