UNITED STATES / CANADA JOINT CERTIFICATION PROGRAM

29 June 2026

Memorandum for: Justin Nelson, ELEMENT MATERIALS TECHNOLOGY CLEVELAND INC., CAGE 7N1U8

Subject: Approved Militarily Critical Technical Data Agreement, DD Form 2345

Your application for Certification under the **United States / Canada Joint Certification Program** (**JCP**) has been **Accepted and Approved**. Along with this approval letter, a copy of the **Approved DD Form 2345** has been attached to your approval email. Your entity's certification number that has been assigned is shown in Block 7b on the attached form. This certification is valid for a five-year period with the expiration date shown in Block 7c. After you receive this letter, please note it could take between 24-72 hours for the various DLA systems to update the permission settings.

All future requests for Unclassified DoD Export Controlled Militarily Critical Technical Data ("Controlled Technical Information" and "Covered Defense Information") or requests for Directly Arranged Visits (DAV) initiated by your facility must be accompanied by a valid copy of your facilities approved DD Form 2345 and a statement of intended data use.

All JCP certified entity's MUST HAVE a current up to date NIST SP 800-171 Assessment documented on the Supplier Performance Risk System (SPRS) website (https://www.sprs.csd.disa.mil/); for instructions see the following:(SPRS Access for NIST SP 800-171 (disa.mil)).

NOTE: The Joint Certification Program Office does not provide access to DoD Unclassified Export Controlled Militarily Critical Technical Data; entities must still be registered on the approved sites to log in and access the required information.

To gain access to DoD Unclassified Export Controlled Militarily Critical Technical Data, you must register with the following agencies:
SAM.gov – Contract Opportunities https://sam.gov
Defense Technical Information Center (DTIC) https://discover.dtic.mil/

You must have DLA Enhanced Validation (DEV) for DIBBS access.
DLA Internet Bid Board System (DIBBS) https://www.dibbs.bsm.dla.mil/
Points of Contact for problems with cFolders:
System Issues/Passwords and Resets – DISA Global Service Desk 844-DISA-HLP (844-347-2457)
Press 5, then speak or enter D-L-A
Customer Service for Data Issues – 804-279-3477 (DSN 695-3477) or https://www.dibbs.bsm.dla.mil//feedback/

Certified contractors must submit a revised DD Form 2345 whenever information previously furnished becomes outdated, for example, name of the entity (company), new person designated as the Data Custodian, or if there is a change of address information. A fillable PDF version of a blank DD Form 2345 and current instructions for filing out the form are available from the main web page of the JCP website.

Contact the JCP office by email at jcp-admin@dla.mil should you have any questions concerning the Joint Certification Program. The JCP Admin email box is manned by qualified JCP knowledgeable individuals, that will provide answers to any questions and/or concerns regarding the JCP Program; also, please use jcp-admin@dla.mil for all DD Form 2345 submissions and revisions.

If you have any other Non-JCP questions, DLA Customer Interaction Center (CIC) is available 24 hours a day, 7 days a week, including government holidays. Toll Free: 1-877-DLA-CALL (1-877-352-2255) or Email: dlacontactcenter@dla.mil

IMPORTANT REMINDER:
A Certified Entity must not provide and/or impart military critical technical data to a Non-Certified Entity.
- This violation may result in revocation of certification and potential legal action against the Entity.

In closing, it is highly recommended that a copy of this approval letter and your approved DD Form 2345 be retained and kept in a safe place for future use.

Respectfully,

U.S./Canada Joint Certification Program Office
Defense Logistics Agency/J34A Logistics Operations

Uncontrolled If Printed

Our point of contact for certification is: Haden Welch <haden.welch@us.af.mil> 9314543611.

5. AS A CONDITION OF RECEIVING MILITARY CRITICAL TECHNICAL DATA, THE ENTITY AND/OR INDIVIDUAL CERTIFIES THAT:

a. They acknowledge all responsibilities under applicable U.S. export control laws and regulations (including the obligation, under certain circumstances, to obtain an export license from the U.S. Government prior to the release of military critical technical data within the United States) or applicable Canadian export control laws and regulations, and agree not to disseminate militarily critical technical data in a manner that would violate applicable U.S. or Canadian export control laws and regulations.

b. The data is required to bid or perform on a contract with any agency of the U.S. Government or the Canadian Government or for other legitimate business activities in which the contractor is engaged or plans to engage as specifically disclosed in item 4.

c. They will not provide access to militarily critical technical data to persons other than their employees or eligible persons designated by the certified entity to act on their behalf unless such access is permitted by U.S. DoDD 5230.25, Canada's TDCR or the U.S. or Canadian Government agency that provided the technical data.

d. That the CITIZENSHIP/RESIDENCY STATUS of the individual(s) designated by name in Item 3 above, who will act as custodian(s) of the militarily critical technical data on behalf of the entity, is/are citizen(s) or person(s) admitted lawfully for permanent residence into (X) 1 or (X) 2

[x] **1. THE UNITED STATES** [ ] **2. CANADA**

Data Custodian(s)'s lawful residency must be in the entity's country of certification.

e. They are not themselves debarred, suspended or otherwise ineligible to perform on U.S. or Canadian Government contracts, and have not violated U.S. or contravened Canadian export control laws and have not had a certification revoked under the provisions of U.S. DoDD 5230.25 or Canada's TDCR.

f. No person employed by, or eligible persons designated by the certified entity to act on their behalf, who will have access to military critical technical data is disbarred, suspended, or otherwise ineligible to perform on U.S. or Canadian Government contracts or has violated U.S. or contravened Canadian export control laws or has had a certification revoked under the provisions of U.S. DoDD 5230.25 or Canada's TDCR.

6. AUTHORIZED ENTITY REPRESENTATIVE CERTIFICATION

I certify that the information and certifications made by the Data Custodian and myself are true, complete, and accurate to the best of my knowledge and belief and are made in good faith. I understand that a knowing and willful false statement on this form can be punished by fine or imprisonment or both.
(For U.S. contractors see U.S. Code, Title 18, Section 1001 and for Canadian contractors see the Defense Production Act.)

Uncontrolled Printout

INSTRUCTIONS FOR COMPLETING DD FORM 2345

All information must be legible, handwritten forms will not be accepted.

Submit your completed DD Form 2345 as a "pdf" attachment to: JCP-ADMIN@DLA.MIL

AGENCY DISCLOSURE NOTICE

The public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

1. Mark only one box: 'INITIAL' if this is your first application; 'REVISION' (of a previously accepted submission) showing revised information i.e., new addresses or business description; 'RENEWAL' if your certification is nearing the expiration date or was canceled after expiration.

2a. For an entity, show full name of CAGE or institution. For an individual, show full name (First, Middle Initial, Last). The information entered here must match the information in the CAGE registry

2b. Enter the physical address of the entity or individual making application. If a P.O. Box is used for mailing purposes, include street address as well.

3. Data Custodian: Show the name, business title, telephone number (including area code – direct line) and e-mail address of the individual(s) who will receive export controlled technical data / critical technology data and be responsible for its further dissemination.

4. Describe the relevant business activity of the entity in block 2 with sufficient detail for the U.S. or Canadian Government agency controlling the data to determine whether the militarily critical technical data that you may request over time is reasonably related to your stated business activity. NOTE: The information must fit in the space provided in block 4 on the form. Attachments to block 4 are NOT ALLOWED.

For All Applicants you must specifically address the following in **block 4**:

1. Indicate if you are a Prime or Sub-Contractor (If applicable).
2. if a Sub, include the Prime's CAGE and Address
3. Describe what you do: (i.e.: manufacturer, distributor, data broker, consultant, other)
4. Describe what type(s) of equipment/material/service you manufacture. Provide commodity NAICS (North American Industry Classification System) or FSC (Federal Supply Class) if known).
5. Is your equipment/material/service related to the United States Munitions List (USML) or Commerce Control List (CCL)? If yes, state what category.

For U.S. Applicants:

6. Are you registered with Directorate of Defense Trade Controls (DDTC)? If yes, state so and provide documentation.

For Canadian Applicants:

6. Are you registered with the Controlled Goods Program? If yes, state so and provide Controlled Goods number (CG#####).

7. Do you possess an Export Control License? If yes, state so and provide documentation in your submission.
8. State your purpose for technical data access: (Bid on DOD solicitations, exchange of data, conference attendance, research, and development)
9. Do you require access to a system to obtain technical data? 1. I do not require system access to systems OR 2. I require access to SAM.gov, DIBBS (include User IDs)
10. Indicate the government agency or 3rd party requiring you obtain JCP Certification. Include full Point of Contact information.

5a. If the location of the entity identified in Item 2.a. is in the United States, the Data Custodian(s) must be a U.S. citizen, or a person admitted lawfully for permanent residence into the United States. If the location of the entity is in Canada, the individual named in Item 3 may be either a Canadian or U.S. citizen or a person admitted lawfully for permanent residence into Canada.

Note: re: 5. If certifications of 5e. and 5f. cannot be made, provide in a separate document, a full description of any extenuating circumstances which may give sufficient reason to accept your certification.

6. If Item 2 identifies an individual, that individual must sign. If Item 2 identifies an entity, a person with authority to legally obligate the entity to a contract must sign.

7. Certification Approval for JCPO use only: a. APPROVED. The U.S./Canada JCPO has assigned the entity or individual identified in Item 2.a., a Certification Number which will identify the individual or entity as a "certified contractor" as defined in U.S. DoDD 5230.25 or Canada's TDCR. The acceptance is valid upon approval until the expiration date in 7c unless sooner revoked under the provisions of U.S. DoDD 5230.25 or Canada's TDCR. If at any time a certified contractor is unable to adhere to the conditions under which a certification was accepted, the contractor's certification is considered void, and the contractor will, either submit a revised certification or surrender all export controlled technical data/critical technology data obtained under this agreement, to the data controlling offices specified on the documents. b. NUMBER. Certification Number c. EXPIRATION DATE. Date Certification will expire. If not renewed it will be canceled.

LEGEND:

DoD = Department of Defense

DoDD = Department of Defense Directive

U.S./Canada - JCO = United States/Canada Joint Certification Office

TDCR = Technical Data Control Regulations

Militarily Critical Technical Data = Unclassified technical data as governed by U.S. DoDD 5230.25 or Canada's TDCR.
