

voestalpine BÖHLER Aerospace GmbH & Co KG

Supplier Quality Approval

303183/2021

This is to certify that the organization

Element Materials Technology Pilsen S.R.O.

Podnikatelská 39, 301 00 Plzeň, CZECH REPUBLIC

has been granted approval to
voestalpine BÖHLER Aerospace Quality Standard QS-Z1/7

Scope of Approval:
Materials Testing

This Approval is based on:

Supplier Self Assessment 2020-10-01
Cesky institute pro akreditaci – EN ISO/IEC 17025:2005 Certificate No 629/2020
PRI NADCAP Approval for Materials Testing

voestalpine BÖHLER Aerospace reserves the right to perform evaluation of the completion of the CAR issued by Other Parties Certification bodies and to verify the QS-Z 1/7 Requirements and to perform product audits to verify compliance with voestalpine BÖHLER Aerospace Requirements. Other Party Approvals do not relieve the supplier to follow QS-Z 1/7. Other Party Approvals mentioned above must be maintained by the organization to keep valid this certificate and updated certificates must be submitted to voestalpine BÖHLER Aerospace. In the case of any cancellation or change of the status of these Other Party Approvals or other approvals relating to the scope of approval, voestalpine BÖHLER Aerospace must be informed immediately.
